16h00-16h15

“EFEO Challenges in the future”

by Jean-François Quarré, vice-president of E.F.E.O. & next President, CEO - QUIMDIS

Mr. Quarré will describe the challenges facing Essential oils, such as Sustainability, Pesticide residues, the Nagoya Protocol, together with how to prepare for them.

16h15-16h45

“Chanel Perfume raw materials, a sustainable/responsible sourcing”

by Carol Surot, Director - Regulatory Affairs, Safety & Ingredient Sustainability, Perfumes GIA – CHANEL

The presentation will cover sustainable scopes and means put in place to reach them, based on in- depth partnerships with Chanel's suppliers.

16h45-17h30

“Citrus & Vanilla Biodiversity/2 Models of Partnership”

by Christina Archer - UEBT-Union for Ethical BioTrade and Hamish Taylor – SYMRISE

Co-presentation on the importance of Sustainability and Biodiversity. The conversation demonstrates how UEBT works with its business partners to better understand and advance BioDiversity in the pursuit of good agricultural practices that look at landscape-level impacts on the environment and growing communities.

17h30-18h00

“The intricate regulatory framework of Aromatherapy: today and tomorrow”

by Laurent Gerard - COO of PRANARÔM

From cosmetics to medical devices, from food supplements to traditional herbal medicines, aromatherapy companies find a way through the European regulatory labyrinth by using the best possible product categorization. This presentation is an overview of the intricate regulatory framework for essential oils in aromatherapy products and addresses the question of future regulation harmonization.

18h00-18h30

“European legislation update”

by Lutz Dushop – Attorney-at-law, E.F.E.O. secretary General

Update on current legislations affecting essential oils.

E.F.E.O.

European Federation of Essential oils
