

EFEO: Challenging the future

- **A growing F&F market**
 - With increasing concentration
 - With increasing concentration
- **Why ?**
 - World economic growth
 - World population growth
 - Appetite for natural products
 - Development of E-Commerce
- **Problems**
 - Natural factors
 - Production factors
 - Human factors
 - Regulatory problems

EFEO actions

- **Representation**
 - Near ECHA
 - Near associations
- **Promotion**
 - Newsletters
 - Road shows
 - Website
- **Problems**
 - REACH
 - Reclassifications of D-Limonene
 - Others

EFEU Future

- **Pesticides**
 - A large family with over 1,150 members
 - Difficult to identify and to analyse
 - Uneasy interpretation of the results
- **What to do**
 - Acquire and share knowledge
 - Setting of Databases
 - Analysing supply chains

EFEU Future

- **Sustainability**
 - What is it ?
 - Pre-requisites
 - Cultivating
 - Production
 - Distribution
- **What to do**
 - Acquire and share knowledge
 - Implement a simple evaluation tool

Thank you for your attention
